

# Plant Hunters' Fairs 2010 Programme:

Our 2010 plant fairs include all our well established favourites plus some stunning new venues in **Cheshire, The Wirral, Shropshire, Staffordshire, South Manchester, North Wales and Worcestershire**. In 2010 we are keeping to our winning formula of low entry charges to great venues and very special plants from well respected nurseries.

All our plant fairs feature *only* specialist nurseries that grow and propagate most of their plants. The nurserymen and women are experts in their fields and are committed to offering expert advice at all times. Many collect, preserve and enthuse about rare plants, old varieties and plants not sold by garden centres - we feature many National Plant Collections and RHS Medal Winners at our events.

Date	Venue	Times	Notes
